

# Seminar

## Dept of Plant Sciences

**Speaker:** Prof AJ Thompson, Cranfield University, UK

**Topic:** Genetic analysis of tomato development in the post-genome era: From rootstocks to inflorescence architecture

**Time:** 10:30-11:30 am

**Tea Break:** 11:30-12:00 Noon

**Speaker:** Dr. Fady Mohareb, Cranfield University, UK

**Topic:** Next-generation sequencing informatics to unravel the genetic basis of key plant genomes: Case studies

**Time:** 12:00- 1:00 pm

**Date:** 17<sup>th</sup> February 2017

**Venue:** Seminar Hall  
School of Life Sciences

Prof. RP Sharma  
Dept of Plant Sciences

NB

All are welcome.
